Dear Scouts & Leaders,

Floodwood Mountain Scout Reservation has been "the" ultimate site for High Adventure for 50 yrs. Floodwood is located near Saranac Lake, NY, and about an hour west of Lake Placid in the heart of the Adirondacks. With its many lakes and High Peaks, Floodwood is perfectly located to offer a high adventure challenge second to none.

Choose either a canoe trek from our base on Rollins Pond, or a back-packing trek in the High Peaks. Accompanying your unit for your trek will be one of our experienced Voyagers, a trained wilderness guide. While customized canoe and backpacking treks are the mainstay of Floodwood, we offer first-class Waterskiing, Rock Climbing & Rappelling, Archery, as well as many day and overnight hikes and paddles.

Our promotion team is ready to visit your unit to tell you more about the fun and adventure awaiting in the Adirondacks. Check out our promotional videos on our website.
